EDUCATION

MSc Artificial Intelligence and Data Science

June 2025 – May 2026

University of Hull, London Campus, UK

B.Sc. Software Engineering (2017-2021)

CGPA 3.05/4 (77%)

Comsats Institute of Information and Technology Abbottabad

WORK EXPERIENCE

Kitchen & Service Team Member German Doner Kebab (GDK), Barking July 2025 – June 2026

- Prepared and cooked all food orders including doner kebabs and sides, ensuring every order was ready within 5 minutes
- Completed daily prep including 120–150 spring rolls and 700–1,000 dip sauce portions every morning within 2 hours
- Received and stored deliveries, including lifting and moving meat stock of up to 35–40 kg into freezers and storage
- Loaded and managed the meat spinner to keep a steady supply of freshly cooked doner throughout the day
- Kept the kitchen and prep area clean and tidy throughout the day following food safety standards
- Led the weekly deep clean of the entire restaurant, leaving no area untouched
- Took customer orders on the till, helped with menu choices, and delivered friendly service — reflected in multiple 5-star Google reviews
- Jumped in to support kitchen staff whenever orders got busy, keeping service running smoothly
- Handled customer refunds and resolved any service issues on the spot
- Wrote weekly staff rotas and made sure shifts were always covered
- Helped manage stock levels and placed orders when supplies were running low
- Helped grow daily sales from £1,800 to £3,500–£5,000 through consistent hard work across both kitchen and front of house
